

CONFERENCE ITINERARY

SECRETARY GENERAL'S ADDRESS

It is my distinct honour to cordially invite you to the maiden edition of City Montessori School Model United Nations Aliganj to be held on 13th and 14th of April, 2019.

With its sustained legacy of excellence in various fields, City Montessori School Aliganj is all set to bolster up its stance in the Model United Nations circuit, by offering its delegates a peerless experience in making a roadmap to holistic changes and sustainable peace in this unpredictably eruptive world.

Model United Nations is a educational simulation of the United Nations in which participants represent particular portfolios in various kinds of committees. These conferences play a vital role in teaching delegates about United Nations, International relations and most importantly, Diplomacy.

Diplomacy means assessing situations in its entirety and taking the best possible course of action in order to maintain one's stance without hurting any sentiments. With its tagline "Pinnacle of Diplomacy", CMSMUN Aliganj endorses this art which has kept the world from war and is simulating six diverse range of committees both conventional and unconventional, in order to give a platform to the delegates to cherish the art of diplomacy alongside the dynamic International Press.

To strengthen the passion of oration, problem solving and teamwork of its delegates, we, the Secretariat, Organising Committee and the logistics of CMSMUN Aliganj, with paramount enthusiasm and a vision of serving one of the best conferences in the circuit, await your presence.
